LifeNotes Edutainment is providing a free, child safety program at Grace Church Parish Hall from July 22nd to 26th from 9:00 a.m. until noon each day. This one-week program is a pilot summer camp for children aged 6 to 9 years.

LifeNotes Edutainment provides a series of music-based, child enrichment lessons, led by a trained LifeNotes instructor. The program covers vital topics such as bullying-prevention, child safety, character-building, healthy eating and exercise. Each lesson comprises two, one-hour sessions and is based upon an upbeat pop-song whose lyric explains the subject and is easy for children to learn and remember.

In the first hour children listen to the song, and then take turns reading the lyric. This is followed by a discussion about the meaning of the words and phrases in the lyric. The first hour ends with an arts and crafts activity and is followed by a short break.

During the second hour, children listen to the song again and learn to sing along with the chorus. This is followed by learning a special choreography for the song.

On Friday morning, July 26th, the children perform a dance recital for family and friends.

Snacks: Please provide you child's own snack making sure to exclude anything with nuts or other allergenic ingredients. Juice and water will be provided.
